

IT'S TIME FOR A CHANGE!

CHANGE YOUR CLOCKS!

Tomorrow, November 5th, 2017 is Daylight Savings! Time to “fall back” and set your clocks back one hour tonight! That gives you an extra hour of sleep! Yay!

CHANGE YOUR BATTERIES!

Every time you change your clocks for Daylight Savings is a good time to change your batteries in your smoke alarms. Here's a 9-volt battery on us to keep you safe in a fire!

CHANGE YOUR LIFE!

Of course, anytime is a good time to change your life for the better. We at Grace Lutheran Church and School are here to help with that too! The message of God's forgiving grace won for all of us by his Son, Jesus, changes the way we view our problems, changes the way we view our life, and changes our eternal destiny. We invite you to join us tomorrow (or any Sunday) at 10am to learn more about God's grace to you!
