

THE GROUP IS ALL SMILES BEFORE HEADING OUT FOR THE MORNING SESSION!

THE JOY OF THE LORD IS OUR STRENGTH!

# Praising God in Portland!

by Ryan M. Doblal

The coffee is brewed, the pastries and fruit are set out, and Pastor has his notes. It would appear like everyone is getting ready for a Bible class, however they are getting training and encouragement before heading out into the nearby neighborhood to invite people to our Easter celebration!

After everyone is paired up, given map, directions, and flyers, and written down key phone numbers they head out the doors to share God's gospel message with complete strangers. Sixteen workers from three churches (Beautiful Savior, Amazing Grace, and Gethsemane) were able to reach over 650 homes, planting over 50 gospel seeds, and following up their great conversations with 15 personal cards.

We found people very willing to talk and open their doors and looking forward to the follow up! We are getting ready for the next time we get to go out and spread the gospel seeds—this time it will be for Gethsemane. And all this in partnership with Praise and Proclaim ministries!

Taking time to write personal cards and reflect after a full day!
